Cast off in rib.

TO MAKE UP—With a slightly damp cloth and warm iron, press lightly. Using a flat seam for ribbing and a fine back-stitch seam for other seams, sew up side and sleeve seams. Sew in sleeves, placing seams to side seams. Sew on buttons to correspond with buttonholes. Finally, press all seams.

SOME IMPORTANT INFORMATION

Avoid disappointment—buy the wool recommended. Buy wisely—buy enough of the one dye-lot—the same dye-lot cannot be repeated.

HOW TO CHECK YOUR TENSION—Before you commence knitting, check your tension carefully—on this depends the success of the finished article. Take the wool and needles specified in the instructions, cast on 20 stitches, work 20 rows in plain, smooth fabric. **Lightly** press work. Check the tension by placing an inch tape across the stitches, count the **exact** number of stitches to one inch and compare with the tension

given in the instructions. All tensions are measured over plain, smooth fabric, lightly pressed. If your tension is too loose, try a size finer needle. If your tension is too tight, try a size coarser needle. If there is more than one size needle recommended in the recipe and you alter the needles to obtain the correct tension in plain smooth fabric, corresponding alterations must be made to the needles throughout the instructions.

Using a fine back-stitch seam, sew front bands in position, joining together at back of neck with a flat seam. Sew on buttons to correspond with buttonholes. Finally, press all seams.

KNITTING STITCH

Knitting Stitch is a stitch worked directly over each knitted stitch, with a contrasting colour to represent the same knitted stitch as before. Each square on the graph represents one stitch.

Insert needle from back of work, in the centre of any stitch and draw through. * Insert needle from right to left, underneath the two loops of the same stitch one row above, and draw through, then insert needle back into original place where needle was first inserted, draw underneath the two loops still working from right

to left, and out into the centre of the next stitch (thus completing one knitting stitch), repeat from * to end of pattern.

All rows of pattern are worked from right to left, then from left to right, till the motif or pattern has been completed.

Very satisfactory results may be obtained by working "4 ply" on "3 ply", "4 ply" on "4 ply", "Azalea" on "Azalea", but do not use "3 ply" on "4 ply".
